

Why support Rotary and the 45th Annual Rotary Golf Tournament?

Help us help others. We continue to help support over 40 local charities and non-profits.

Help grant scholarships. We fund two scholarships every year that are awarded to local high school students.

Tax Deduction. The Pell City Rotary Foundation is a 501(c)3 organization.

Enjoyable. A day on the course can be very relaxing and is a great opportunity to build relationships with co-workers or clients.

Did you know...

The Rotary Club of Pell City provided over \$90,000 support to charities and scholarships in our local area in 2024?

The eradication of polio is one of our longest standing and most significant efforts. Along with our partners, we have helped immunize more than 3 billion children against polio in 122 countries. We have reduced polio cases by 99.9% worldwide and we won't stop until we end the disease for good. Today, polio remains endemic only in Afghanistan and Pakistan. But it's crucial to continue working to keep other countries polio-free. If all eradication efforts stopped today, within 10 years, polio could paralyze as many as 200,000 children each year.
